ELETHU COTYI

ABOUT ME

Full Stack Developer | Software Developer | Tech Innovator

A calm-minded, solution-driven, and hardworking individual with a strong passion for technology, problem-solving, and constant growth. I thrive in dynamic environments where I can build, collaborate, learn fast, and deliver high-quality work.
Known for my adaptability, emotional intelligence, and eagerness to take on new challenges, I bring both technical skills and a strong people-driven mindset to every team.

EXPERIENCE

Codetelligence Academy
2024 - 2025

Software Developer

- Learned best practices in clean code, UI design, and system architecture.
- Enhanced skills in HTML, CSS, JavaScript, Python, and version control.
- Collaborated with peers on real-world tasks, improving debugging and problem-solving.

Value/Pepkor Logistics
2023 - 2024

Crew Member/ Delivery Assistant

- Maintained high-quality customer service during deliveries.
- Assisted in warehouse operations and stock preparation.
- Worked effectively in high-pressure environments.

UVU Africa – Capaciti

Full Stack Developer (Intern / Trainee)

- Built and maintained full stack applications using React, Node.js, and Firebase.
- Collaborated in Agile teams, participating in sprints, stand-ups, and project reviews.
- Designed UI/UX components with clean, modern, and responsive layouts.
- Integrated APIs and managed real-time data flow for web apps.
- Strengthened teamwork, communication, and deadline-driven delivery.
